## FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,

I am excited to share with you some of the accomplishments of YCIS students in 2016-17.

### Key Academic Highlights:

71.7% of our students met/exceeded state standards for English Language Arts, outperforming the state average by 16.9%.  
44.6% of our students met/exceeded state standards for Mathematics, outperforming the state average by 3.2%.  
81% of 5th grade students and 88% of 8th grade students met/exceeded the state standard for Science, outperforming the state average by 15% and 26%.  
Academic growth in English Language Arts was in the highest category

and average in Mathematics.

While we are proud of our students' success, we continue to look for ways to improve. In 2017-18 we have dedicated significant resources to further increasing our scores and to better aligning our curriculum and instruction with the Common Core State Standards.

YCIS is committed to providing the rigor necessary for high school, post-secondary, and career readiness. We look forward to partnering with you over the coming year to ensure that our students reach their full potential

Thank you,

Principal | John Horne

## STUDENTS

## IMMUNIZATION RATES

Percent of students with all required vaccines: 93  
Percent of students without all required vaccines: 7

*(The percent without required vaccines includes students with medical exemptions, nonmedical exemptions, no immunization records, or up-to-date but incomplete immunization records. Visit <http://www.healthoregon.org/immdata> for more information.)*

When data are unavailable or to protect student confidentiality:

\* refers to groups of less than 6 students.

<5 indicates that a percentage is less than 5%.

>95 indicates that a percentage is greater than 95%.

\*\*\* refers to a school that offers lunch at no charge to all students.

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
