

Safety Meeting Minutes
2/15/18

Present: Matt Wiles, Shiloh Ficek, Teresa Brey, Cindy Roberts

AEDs-Green lights? YCES: Yes YCIS: Yes YCHS-Office: Yes Gym: Yes Cafeteria: Yes
(Esther was not present at meeting, but sent follow-up email confirming that the AED at YCIS was working)

Follow Up:

YCSD:

- The district would like to do a district-wide CPR training...need to schedule with Esther.
- AED pad order has been sent to the DO for purchasing. YCES AED pad order is still pending.

YCES: Do Lauren and Charan want the gates to the fence around the playground locked or unlocked? Still need to check this out. Matt and Cindy will look into this.

YCIS: Nothing

YCHS:

- No solution as to what can be done to prevent the unlocking of the gym door with an allen wrench and leaving it unlocked and/or people putting a rock in the door. Would it be a good idea to have security cameras that aim toward the doors to the gym, so that there is at least a time/frame of reference for people coming and going through the doors?
- Brian is looking into some sort of lighting solution for the west end of the gym, since after games, many people walk through that area.

Cafeteria: Nothing

New Business:

YCSD: Nothing

YCES: Nothing

YCIS: Nothing

YCHS: Muddy path to cafeteria has already been addressed by Turner. Practice/training for lockout/lockdown went well.

Cafeteria:

- Theater/Cheer have been blocking NE door open, although hasn't really been a problem lately (since cheer ended?).
- For 3-4 days, razor blades had been found in cafeteria after middle school lunch.

Monthly Accident Reports:

There were **10 accident reports** this month, which can be broken down as: **5 student reports at YCES; 2 reports at YCIS; 3 reports at YCHS. Resulting recommendations:** 1. Students

Next meeting will be March 22, 2018

Safety Meeting Minutes

2/15/18

are not to apply medical procedures to a serious injury. 2. If accident is being recorded on accident report and ice/first aid administered, then parents should be notified (2 recommendations combined).

Next meeting will be March 22, 2018
